

SURRENDER FORM - RESCUER

By my signature, I declare that I am the legal custodian of the cat described below having rescued it and relinquish all rights and title therein to FELINES & FRIENDS.

In the event I agree to "foster" the cat until such time as another foster home or permanent home is found for it/them. Upon request by FELINES & FRIENDS, I will deliver the cat who will process the adoption and retain the adoption fee paid by the new owner.

I understand that I may not place the cat independently and will refer interested parties to FELINES & FRIENDS.

With my signature, I waive any and all claims for damages against FELINES & FRIENDS, its representatives or volunteers and I affirm that to the best of my knowledge this cat is in good health and does not belong to a third party, without whose consent this cat is being surrendered.

I certify that all information provided herein is true and accurate.
