

SURRENDER FORM – Pregnant/Nursing

By my signature, I declare that I am the owner or legal custodian of the pregnant cat described below. I herewith surrender all kittens born to this cat and relinquish all rights and title therein to FELINES & FRIENDS for the eventual adoption to another owner. I waive any and all claims for damages against FELINES & FRIENDS, its representatives or volunteers.

I do / do not wish to have the cat returned to me after the kittens have been weaned and she has been spayed. If I wish to adopt the mother and/or any of her kittens, I agree to pay the adoption fee(s) to offset vet costs.

With my signature, I affirm that to the best of my knowledge this cat is in good health [unless otherwise stated below] and does not belong to a third party, without whose consent this cat is being surrendered.

I also authorize the release of any and all available veterinary records to FELINES & FRIENDS.

I certify that all information provided herein is true and accurate.
